Re: Kid Rock at LCA is Middle Finger to Detroit

Dear Mr. Stephen Henderson and Detroit Free Press Editorial Board,

Please correct the information in your current column regarding Kid Rock. Kid Rock did not give \$100,000 to our organization. He decided and announced at the May 1, 2011 Freedom Fund Dinner that he was donating \$50,000 to the City of Detroit. He later presented those checks to: Friends of Belle Isle, Focus: Hope, Habitat for Humanity, Mosaic Youth Theater and Youthville. The Detroit Branch NAACP did not receive any donation or funds for him receiving the Great Expectations Award. Please correct this error in your column in the online and print edition. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Wendell Anthony".
